Subject  
Cancellation of CE-215

Dear Mrs. Stalla,

In June 2014 VEGA Vertrieb von Gastronomiebedraf GmbH applied to NMI for a parallel approval of its quality system for conformity assessment Capacity serving measure according conformity assessment procedure article 9 of Directive 2004/22/EC. An initial assessment was performed on 22 July 2014 on the premises of VEGA Vertrieb von Gastronomiebedraf GmbH to verify compliance of the quality system with the criteria of the directive. On basis of this assessment NMI approved the quality system with Certification CE-215 on 26 August 2014.

On January 2016 we received the request not to renew your certificate CE-215 due to the fact that you have applied for an A1 module for Material Measures, Chapter II – Capacity serving measures.

Due to this fact the **certification board of NMI Certin B.V. decided to cancel the certification CE-215** of VEGA Vertrieb von Gastronomiebedraf GmbH. According Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As a result of this decision VEGA Vertrieb von Gastronomiebedraf GmbH. is no longer allowed to place instruments on the market with reference 0122 to the CE marking, CE-215 after 10 February 2016.

If you have any questions, please don't hesitate to contact me.

With kind regards,  
NMI Certin B.V.

C. Oosterman
