Subject
Cancellation of CE-054 and DE-001

Dear Mr. Purnomo,

In August 2006 Actaris-Ganz Meter Company later Itron-Ganz Meter Company Ltd. applied to NMI for approval of its quality system for conformity assessment of measurement systems for Active Electrical Energy Meters (MI-003) according to conformity assessment procedure module D of the Directive 2004/22/EC, later 2014/32/EU.

An initial assessment was performed on 18 and 19 September 2006 on the premises of Actaris-Ganz Meter Company, Hungary to verify compliance of the quality system with the criteria of the directive. On the basis of this assessment, NMI approved the quality system with Certification CE-054 on 21 November 2006 and the quality system with Certification DE-001 on 26 October 2017.

On 27 March 2023, you send us an email in which you informed us the factory in Gödöllő is closed and therefore no audit can take place at that location.

In reply to the abovementioned, the Certification Board decided to cancel the module D certification with numbers CE-054 and DE-001 of Itron-Ganz Meter Company Ltd, Hungary. According to Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As result of this decision and as a result of the expired certificate, it is and was not allowed for Itron-Ganz Meter Company Ltd, Hungary to place instruments on the market with reference 0122 to the CE marking after 20 April 2023.

If you have any questions, please do not hesitate to contact me.

With kind regards,
NMI Certin B.V.
