Subject
Revised cancellation of CE-159

Dear Mr. Riggio,

Zenner Gas S.r.L. is certified by NMI for conformity assessment for Diaphragm Gas meters under module D of the Directive 2014/EU/32 since 27 September 2011. The certificate [CE-159](#) is valid until 27 September 2020.

On 19 July 2019, you have sent us a letter in which you state that you would like to withdraw your Module D certificate CE-159.

On 23 July 2019 we have sent you a letter in which we stated that your certificate would be cancelled on 27 September 2019 and that we would inform the Member States of the EU about this decision. Unfortunately, this information was not sent to the Member States of the EU. Therefore, we send you this revised letter informing you that the **board decided to cancel the certification CE-159 of Zenner Gas S.r.L.** as per **21 October 2019**.

As per this date, we also inform the authorities about the cancellation of your Module D Certificate.

As a result of this decision, it is not allowed for Zenner Gas S.r.L. to place instruments on the market with reference 0122 to the CE marking after 21 October 2019.

If you have any questions, please do not hesitate to contact me.

With kind regards,
NMI Certin B.V.
