Subject  
Cancellation of CE-185

Dear Mr. Ramswell,

On October 2016, Sensus UK Systems Ltd, re-applied to NMI for approval of its quality system for conformity assessment of diaphragm gas meters according conformity assessment procedure article 17 of Directive 2014/32/EU. An initial assessment was performed on 17 October 2016 on the premises of United Gas Meters, China, to verify compliance of the quality system with the criteria of the directive. On basis of this assessment, NMI approved the quality system with Certification CE-185 on 27 October 2016.

On 10 October 2017, we received an email from you in which you informed us that you will terminate the Module D audit for the CUBIX U6 due to a sell to BUGM and therefore you wish to end your CE-MID certification.

Due to this fact, the **certification board of NMI Certin B.V. decided to cancel the certification CE-185 of Sensus UK Systems Ltd.** According Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As result of this decision, Sensus UK Systems Ltd. is no longer allowed to place instruments on the market with reference 0122 to the CE marking after 31 December 2017.

If you have any questions, please don't hesitate to contact me.

With kind regards,  
NMI Certin B.V.

C. Oosterman  
Head Certification Board
