Subject
Cancellation of CE-263

Dear Mr. Trombini,

In 2016 L.C. S.r.l. applied to NMI for approval of its quality system for conformity assessment of non-automatic weighing instruments according conformity assessment procedure D of the Directive 2014/EU/31. An initial assessment was performed on 3 March 2017 at the premises of L.C. S.r.l. to verify compliance of the quality system with the criteria of the directive. On basis of this assessment, NMI Certin B.V. approved the quality system with Certification CE-263 on 31 March 2017.

On 5 September 2019, you have sent us a letter in which you state that you will not renew your Module D certificate on 31 March 2020 and therefore you would like to withdraw the CE-263 certificate.

In reply to the abovementioned, the **board decided to cancel the certification CE-263 of L.C. S.r.l.** According Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As result of this decision, it is not allowed for L.C. S.r.l. to place instruments on the market with reference 0122 to the CE-marking after 5 November 2019.

If you have any questions, please do not hesitate to contact me.

With kind regards,
NMI Certin B.V.
