Cancellation of CE-310

Dear Mr. Mazzonetto,

In 2019 VOLA Snc di Mazzonetto Angelin & C. applied to NMI for approval of its quality system for conformity assessment of Material Measures of Length according conformity assessment procedure D of the Directive 2014/32/EU. An initial assessment was performed on 1 April 2019 at the premises of VOLA Snc di Mazzonetto Angelin & C. to verify compliance of the quality system with the criteria of the directive. On basis of this assessment, NMI Certin B.V. approved the quality system with Certification CE-310 on 17 May 2019.

On 3 March 2020, you have sent us an email in which you state that you will not continue your Module D certificate due to the increase of payment and therefore you would like to withdraw the CE-310 certificate.

In reply to the abovementioned, the **board decided to cancel the certification CE-310 of VOLA Snc di Mazzonetto Angelin & C.** According Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As result of this decision, it is not allowed for VOLA Snc di Mazzonetto Angelin & C. to place instruments on the market with reference 0122 to the CE-marking after 17 May 2020.

If you have any questions, please do not hesitate to contact me.

With kind regards,
NMI Certin B.V.
