Dear Mrs. Nikolova,

On 24 November 2005 Datecs Ltd. applied to NMI for approval of its quality system for conformity assessment of non-automatic weighing instruments according conformity assessment procedure D of the Directive 2009/23/EC. An initial assessment is performed on 10 and 11 January 2006 at the premises of Datecs Ltd. to verify compliance of the quality system with the criteria of the directive. On basis of this assessment NMI approved the quality system with Certification CE-048 on 15 February 2006.

In your email of 19 December 2012 you request to cancel the above mentioned certification per 19 December 2012.

In reply to your request, the **board decided to cancel the certification CE-048 of Datecs Ltd.** According Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As result of this decision it is not allowed for Datecs Ltd. to place instruments on the market with reference 0122 to the CE marking after 19 December 2012.
