Cancellation of CE-082

Dear Mr. Morino,

On June 2006 SWK Utensilerie S.r.L. applied to NMI for approval of its quality system for conformity assessment Material measures of length according conformity assessment procedure article 9 of Directive 2004/22/EC. An initial assessment was performed on 19 September 2006 on the premises of Index Industries Ltd. Zhuhai to verify compliance of the quality system with the criteria of the directive.

On basis of this assessment NMI approved the quality system with Certification CE-082 on 29 June 2007.

On 20 January 2016 we received your letter with the request not to renew your certificate CE-082 after 29 June 2016.

Due to this fact the **certification board of NMI Certin B.V. decided to cancel the certification CE-082 of SWK Utensilerie S.r.L.** According Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As a result of this decision SWK Utensilerie S.r.L. is no longer allowed to place instruments on the market with reference 0122 to the CE marking after 30 May 2016.

If you have any questions, please don't hesitate to contact me.

With kind regards,
NMI Certin B.V.
