Subject
Cancellation of CE-111 and CE-112

Dear Mr. Nieuwlaat,

On 8 January 2008 Itron – Nederland B.V. applied to NMI for approval of its quality system for conformity assessment of gas meters and Volume conversion devices according conformity assessment procedure module D of the Directive 2004/22/EC. An initial assessment is performed on 19 November 2008 at the premises of Itron - Nederland B.V. to verify compliance of the quality system with the criteria of the directive. On basis of this assessment NMI approved the quality system with Certification CE-111 and CE-112 on 27 November 2008.

In your email of 18 April 2012 you request to cancel the above mentioned certification per 18 April 2012

In reply to your request, the **board decided to cancel the certification CE-111 and CE-112** of Itron – Nederland B.V.. According Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As result of this decision it is not allowed for Itron – Nederland B.V.. to place instruments on the market with reference 0122 to the CE marking after 18 April 2012.

If you have any questions, please don't hesitate to contact Mr. Oosterman, Head Certification Board.

With kind regards,
NMI Certin B.V.

C. Oosterman
Head Certification Board
