Subject
Cancellation of CE-142

Dear Mister,

On 26 June 2010, DESTAS Dijital Elektronik San. Tic. A.S. applied to NMI Certin for approval of its quality system for conformity assessment of Diaphragm Gas Meter according conformity assessment procedure D of the Directive 2004/22/EC. An initial assessment is performed on 21 September 2010 at the premises of DESTAS Dijital Elektronik San. Tic. A.S. to verify compliance of the quality system with the criteria of the directive. On basis of this assessment NMI approved the quality system with Certification CE-142 on February 20, 2012.

In your email to my colleague Mr. Baris Yilmaz on 19 December 2012. he told me that you don't want to proceed with the audit planned in January 2013.

Therefore the board **decided to cancel the certification CE-142 of DESTAS Dijital Elektronik San. Tic. A.S. per 9 April 2013.** According Annex D item 7 of the directive, NMI Certin shall inform its authorities and ask them to inform the Member States of the EU about its decision. To appeal to this decision I refer to our appeal procedure, available on our website www.nmi.nl.

As result of this decision it is not allowed for DESTAS Dijital Elektronik San. Tic. A.S. to place instruments on the market with reference 0122 to the CE marking after 9 April 2013.

With kind regards,
NMI Certin B.V.

C. Oosterman
Head Certification Board
