Subject
Suspension of CE-076

Dear Mrs. Chen,

In the first quarter of 2007, Johnney Enterprises Co., Ltd. Taiwan applied to NMI Certin for approval of its quality system for conformity assessment of Material measures of length according conformity assessment procedure D1 of the Directive 2004/22/EC. An initial assessment is performed on 19 June 2007 at the premises of Johnney Enterprises Co., Ltd. Taiwan to verify compliance of the quality system with the criteria of the directive. On basis of this assessment NMI approved the quality system with Certification CE-076 on 19 July 2007.

The board decided to suspends the certification CE-076 of Johnney Enterprises Co., Ltd. Taiwan per 31 May 2013. The reason of this suspension is the fact that your production location has stopped in Taiwan. As soon you have start up the production at your location in China, we can perform an initial assessment and proceed with the approval.

As result of this decision it is not allowed for Johnney Enterprises Co., Ltd. Taiwan to place instruments on the market with reference 0122 to the CE marking after 31 May 2013.

This applies until a new assessment has been made and the Board decides to continue.

With kind regards,
NMI Certin B.V.

C. Oosterman
Head Certification Board
