Subject
Withdrawal of CE-129

Dear Mr. Tekin,

In 2009 Uzay Baskül Endüstriyel Tartım Sistemleri San. ve Tic. A.S., Turkey (hereafter names as Uzay Baskül) applied to NMI Certin B.V. ("NMI") for approval of its quality system for conformity assessment of measurement systems for non-automatic weighing instruments according to conformity assessment procedure module D of directive 2009/23/EC, later changed to Article 13 of directive 2014/31/EU.

An initial assessment was performed on 3 November 2009 on the premises of Uzay Baskül to verify compliance of the quality system with the criteria of the directive.
On basis of this assessment, NMI approved the quality system with Certification CE-129 on 16 November 2009.

On 11 October 2024 we received an email in which you informed us that you have decided not to continue with NMI as your Notified Body for module D certification services as of 16 November 2024.

In response to the abovementioned, the Certification Board decided to cancel the module D certification with number CE-129 of Uzay Baskül, Turkey. According to Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As result of this decision, it is not allowed for Uzay Baskül, Turkey to place instruments on the market with reference 0122 to the CE marking after **16 November 2024**.

If you have any questions, please do not hesitate to contact us.

With kind regards,

Head Certification Board
