Dear Mr. Williams,

On 26 August 2022 we have sent you a letter in which we explain why we have suspended your module D certificate with number CE-296. This suspension has lasted until 30 November 2022. Unfortunately we haven't heard from you since and also no audit has been scheduled.

Therefore we want to inform you that the Certification Board of NMI Certin B.V. has decided to withdraw your module D certification with number CE-296.

According to Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

Also for you information we want to emphasize that it's not allowed for Natural Gas Solutions UK to place any instruments on the market with reference 0122 to the CE-marking.

If you have any questions, please don't hesitate to contact Mr. Schmidt, Manager Certification Board.

With kind regards,
NMI Certin B.V.
