Dear Mrs Purwadinata,

On 24 March we received a letter in an email in which you mentioned that, as a result of the suspension requested by you, you have decided to cancel your module D certificate with number CE-325 at the end of the suspension period.

Due to the abovementioned reason the Certification Board of NMI Certin B.V. has decided to withdraw your module D certificate as per **4 April 2025**.

According to Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

As result of this decision, it is not allowed for EDMi Limited, Singapore to place instruments on the market with reference 0122 to the CE-marking after **4 April 2025**.

In case you wish to proceed with an audit in 2026, the audit process can be reinstated with an initial audit. Please be aware that the cancellation cannot be undone and that you then will receive a new certificate number.

If you have any questions, please do not hesitate to contact us.

With kind regards,
NMI Certin B.V.
