Withdrawal letter CE-362

Dear Mr. Ludwig,

On 14 April 2026 you received a letter from The Certification Board of NMI Certin B.V. with a final warning and a request to provide a response before 27 April 2026 otherwise your module D certification would be withdrawn.

Unfortunately, we have not received any updates since then. Therefore, the Certification Board of NMI Certin B.V. has decided to withdraw your module D certification with number CE-362 as of **8 May 2026**.

As a result of this decision, PCE Deutschland GmbH is not allowed to place instruments on the market with reference to our Notified Body number 0122.

If you decide to be certified again in the future, an initial audit process can be restarted. This will, however, involve the assignment of a new CE-number. Please be aware that the cancellation cannot be undone.

Please be aware that you are not allowed to use our NMI marks for advertising and/or promotional purposes after the abovementioned date and to have a reference carrying out inspections under NMI recognition.

According to Annex D item 7 of the directive, NMI shall inform its authorities and ask them to inform the Member States of the EU about its decision.

If you have any questions, please don't hesitate to contact us.

With kind regards,
NMI Certin B.V.

M.Ph.D. Schmidt
